Psalm 46:1-11

Why don't we need to fear?
Because of:
1. Who God is – V-13
2. Where God is – V4-7
3. What God has done and what he promises – V8-11

What other verses in the Bible encourage you about God’s promise to be with you? “God is in the midst of her...The Lord of hosts is with us.”

What does it mean to you when God says in V8, “Be still and know that I am God”? When in your life do you feel you most need to hear that?

WHAT IS MY PLAN SO I AM NOT JUST A HEARER?
Write on one of the blank pages in your Bible: When I am afraid, read Psalm 46.

Read Isaiah 40-43 and write some notes about what you see as the greatness of God. As you read, pray that God’s Spirit will engrave these truths on your heart.

What steps will you take to increase your trust in God and his word in the future?
SOME SUGGESTIONS: I will adopt a more aggressive plan to read the Bible regularly, to memorize passages that encourage me, to set aside time to study a portion, to read the Bible regularly with my family.
